Course Description Form

1. Cour	rse Name: Practical Biology		
2. Cour	rse Code:		
3. Sem	ester / Year:1-2 2023/2024		
4. Desc	cription Preparation Date:2024-2023		
5. Avai	lable Attendance Forms: Daily attendance		
	•		
6. Num	ber of Credit Hours (Total) / Number of Units 1.30 Hours (Total) 30 week		
7. Cou	rse administrator's name (mention all, if more than one name)		
	Nizar jawad		
nab.n@uok	terbala.edu.iq :Email:		
	Course Objectives .8		
	Course Objectives It includes a description of the •		
	naterial, the purpose of its study		
	d the philosophy of its teaching,		
	as this course aims to study the		
	principles of		
	Biology and the most important netic laws and the importance of		
	tudying and classifying all living		
	ganisms and the role of primitive		
	organisms		
	And high−end on human health •		
	and the study of diseases and		
	lamage to some microorganisms		
	n the organs of the human body		
	.Especially the eye •		
	•		
9. Teac	9. Teaching and Learning Strategies		
Strategy	1. Education Strategy Collaborative Concept Planning		

- 2- Brainstorming education strategy.
- 3. Education Strategy Notes Series
- 4- Presentation, training, discussion research and reports

10. Course Structure

Week	Но	Required Learning	Unit or subject	Learning method	Evaluation
	urs	Outcomes	name		method
1	2	Knowledge	Definition of Biology, Biological Kingdom.	Delivering the lecthrough the blackboard modern means presentation with interactive participation students and an explanation of laboratory experiments and slides presentation	Oral test w surprise written exa and reports
2	2	Knowledge	Prokaryot es and eukaryotes.	Delivering the lecthrough the blackboard modern means presentation with interactive participation students and an explanation of laboratory experiments and slides presentation	Oral test w surprise written exa and reports
3	2	Knowledge	The cell: Introduction, structure and function to the organelle.	Delivering the lecthrough the blackboard modern means presentation with interactive participation students and an explanation of laboratory experiments and slides presentation	Oral test w surprise written exa and reports
4	2	Knowledge	The cell : Introduction, structure and function to the organelles (Mitochondria, Free ribosomes , Rough endoplasmic reticulum, smooth endoplasmic reticulum, Golgi apparatus, Lysosomes (primary and secondary lysosomes), Microtubules ,cilia, flagella and centrioles.	Delivering the lecthrough the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports

				D. 1	
5	2	Knowledge	The tissue (types and properties).	Delivering the lecthrough the blackboard modern means presentation with interactive participation students and an explana	Oral test w surprise written exa and reports
			Cl. 'C'	of laboratory experim and slides presentation	0.1.
6	2	Knowledge	Classifia tion tissue.	Delivering the lec through the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports
7	2	Knowledge	Nucleic acid, DNA structure, properties.	Delivering the lec through the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports
8	2	Knowledge	RNA structure, properties.	Delivering the lec through the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports
9	2	Knowledge	Transprt ation of biological wastes International Transport Regulations The Basic Triple Packaging System	Delivering the lec through the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports
10	2	Knowledge	Overvie w of biological safety and security equipment	Delivering the lec through the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports
11	2	Knowledge	Introduction to Biosafety and Security • Key components of Biorisk Management • Components of	Delivering the lec through the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports

12 2 Knowledge Biosafe ty training Delivering the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation with interactive participation students and an explana of laboratory experimand slides presentation with interactive participation students and an explana of laboratory experimand slides presentation with interactive participation students and an explana of laboratory experimand slides presentation. Oral test was surprise written examination with interactive participation students and an explana of laboratory experimand slides presentation. Oral test was undersome means presentation with interactive participation students and an explana of laboratory experimand slides presentation. Oral test was undersome means presentation with interactive participation students and an explana of laboratory experimand slides presentation. Oral test was undersome means presentation with interactive participation students and an explana of laboratory experimand slides presentation. Oral test was undersome means presentation with interactive participations students and an explana of laboratory experimand slides presentation. Oral test was undersome means presentation with interactive participations wit		1				
Universal safety precautions				safety in all

28	2	Knowledge	Steriliz ation and disinfecting	Delivering the lec through the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports
29	2	Knowledge	Eye infections, Bacterial eye infection, Fungal eye infection. Parasitic eye infection, Viral eye infection.	Delivering the lec through the blackboard modern means presentation with interactive participation students and an explana of laboratory experim and slides presentation	Oral test w surprise written exa and reports
30			examina ti		

11. Course Evaluation

5 marks are calculated on reports

5 points are calculated on daily exams

5 degrees are calculated on the daily preparation

And the rest of the grade is for the monthly exams

12. Learning and Teaching Resources

Required textbooks (curricular books, if any)	Biology Books
Main references (sources)	Curriculum scheduled within t sectoral committees
Recommended books and references (scientific journals, reports)	Biology Raven et al The cell M. Prakasn

Electronic References, Websites

ncbi,google scholar,reserachgate

Assist prof Dr: Zainab Nizar Jawad
